

CURRICULUM VITAE

Tracy T. Smith, PhD

Medical University of South Carolina
Department of Psychiatry and Behavioral Sciences
College of Medicine
68 President St., 103D Bioengineering Building
Charleston SC 29425
Phone: (843) 792-5164
Fax: (843) 876-2344
E-mail: smithtra@musc.edu

EDUCATION

Year	Institution/Location	Degree/Date	Field of Study
2004 – 2008	College of Charleston, Charleston, SC	B.S./May 2008	Psychology
2009 – 2011	University of North Carolina Wilmington, Wilmington, NC	M.A./May 2011	General Psychology
2011 – 2013	University of Pittsburgh, Pittsburgh, PA	M.S./May 2013	Biological and Health Psychology
2013 – 2015	University of Pittsburgh, Pittsburgh, PA	Ph.D./August 2015	Biological and Health Psychology

POSTDOCTORAL FELLOWSHIP

Year	Institution/Location	Role
2015 – 2017	University of Pittsburgh Cancer Institute, Pittsburgh, PA	Postdoctoral Fellowship
2017 – 2018	Medical University of South Carolina, Charleston, SC	Postdoctoral Fellowship

FACULTY APPOINTMENTS

Year	Rank	Institution	Department
2018 – Present	Assistant Professor	Medical University of South Carolina	Psychiatry and Behavioral Sciences
2018 – Present	Research Member	Medical University of South Carolina	Hollings Cancer Center

GRANT FUNDING AND CONTRACTS

Extramural Grants (Current and Past):

Year	Funding Source	Award Number	Role	Award Amount	% Time	Grant Title
01/15/2019-01-14-2024	National Institute on Drug Abuse	K01 DA047433	PI	\$934,360	78%	Impact of e-cigarette characteristics on reinforcement and tobacco use patterns among

						current smokers
08/01/2017-07/31/2022	National Cancer Institute	R01 CA210625	Co-I	\$2,616,376	5%	A naturalistic nationwide randomized study of e-cigarettes uptake and consequences
04/01/2016-03/31/2021	National Cancer Institute	P01 CA200512	Co-I	\$15,078,510	10%	Evaluating how tobacco control policies are shaping the nicotine delivery market
05/06/2020-05/05/2021	National Institute on Drug Abuse	3K01 DA057433-02S1	PI	\$54,000	--	Impact of e-cigarette characteristics on reinforcement and tobacco use patterns among current smokers— Administrative Supplement
09/01/2017-08/30/2021	National Institute on Drug Abuse	R03 DA045197	PI	\$224,250	12%	Impact of exclusive use of low nicotine cigarettes on compensatory smoking
08/01/2018-01/14/2019	National Institute on Drug Abuse	K12 DA 031794	Assistant Professor (PIs, McCrae-Clark & Gray)	--	90%	Clinical Scientists Training in Addictions at MUSC
09/01/2015-06/30/2017	National Cancer Institute	T32 CA186873	Postdoctoral Fellow (PI, Yuan)	--	100%	Cancer Epidemiology and Prevention Training Program
07/01/2014-08/30/2015	National Institute on Drug Abuse	F31 DA037643	PI	\$49,862	100%	Relationship between increasing nicotine cost and decreasing nicotine dose

Intramural Grants (Current and Past):

Year	Funding Source	Role	Award Amount	Grant Title
11/01/2019-10/30/2021	Pilot funding through P01 CA200512 (Cummings, PI)	PI	\$30,000	Impact of non-cigarette tobacco product formulation on reinforcement value and use in current smokers
07/01/2019-06/30/2021	Hollings Cancer Center IDEA Award	PI	\$50,000	Comparison of leading e-cigarette product types on reinforcement value and tobacco use patterns among current smokers
10/01/2017-12/30/2018	Pilot funding through P01 CA200512 (Cummings, PI)	PI	\$14,000	Impact of e-liquid components on product appeal, reinforcement value, and tobacco use patterns

AWARDS, HONORS, MEMBERSHIP IN HONORARY SOCIETIES

Year	Award/Honor/Membership
------	------------------------

2020	Jarvik-Russell Early Career Investigator Award, Society for Research on Nicotine and Tobacco
2015	Nomination for Baranger Teaching Award, University of Pittsburgh
2011	Graduate Teaching Award, University of North Carolina Wilmington

MEMBERSHIP IN PROFESSIONAL/SCIENTIFIC SOCIETIES

International:

Year	Organization/Society	Role
2012 – present	Society for Research on Nicotine and Tobacco	Member
2010-2015	Society for the Quantitative Analysis of Behavior	Member
2008-2015	Association for Behavior Analysis International	Member

National:

Years	Organization/Society	Role
2004-present	The National Society of Collegiate Scholars	Member

Local:

Years	Organization/Society	Role
2020 – present	“We Can’t Breathe” Community Committee to Restrict the Sale of Menthol in the Lowcountry	Member
2019 -- present	Smokefree Lowcountry	Board Member
2018 – present	Hollings Cancer Center – Cancer Prevention and Control Program	Research Member

EDITORIAL SERVICE

Year	Journal	Role
2016-present	<i>Tobacco Regulatory Science</i>	Assistant Editor

Ad-hoc Journal Peer Review:

<i>Addiction</i>	<i>Addictive Behaviors</i>
<i>Behavioural Brain Research</i>	<i>Behavioral Brain Research</i>
<i>Behavioural Processes</i>	<i>Drug and Alcohol Dependence</i>
<i>Experimental and Clinical Psychopharmacology</i>	<i>JAMA Psychiatry</i>
<i>Journal of Adolescent Health</i>	<i>Journal of the Experimental Analysis of Behavior</i>
<i>Nicotine and Tobacco Research</i>	<i>Neuropsychopharmacology</i>
<i>Pediatrics</i>	<i>Perspective on Behavior Science</i>
<i>Pharmacology, Biochemisry, and Behavior</i>	<i>PLOS One</i>
<i>Preventive Medicine</i>	<i>Psychopharmacology</i>
<i>Tobacco Control</i>	

Abstract Review for Professional Meetings:

Year	Society/Association
2016-2021	Society for Research on Nicotine and Tobacco Annual Meeting

PROFESSIONAL COMMITTEES

External Governance or Committees:

Year	Name of Committee	Role	Institution
2021	Program Committee	Member	Society for Research on Nicotine and Tobacco Annual Meeting
2015	Program Committee	Member	Tobacco Centers of Regulatory Science Annual Meeting
2012-present	Basic Science Network	Member	Society for Research on Nicotine and Tobacco
2015-present	Policy Network	Member	Society for Research on Nicotine and Tobacco

University Committees:

Year	Name of Committee	Role	Organization
2021 - Present	Faculty Development Advisory Committee	Member	MUSC College of Medicine
2019 – Present	South Carolina Tobacco Research Interest Group	Co-Leader	MUSC Hollings Cancer Center

Departmental Committees:

Year	Name of Committee	Role	Organization
2019	Department of Psychiatry Residency Interview Committee	Member	Medical University of South Carolina, Department of Psychiatry & Behavioral Sciences
2018 – Present	MUSC Junior Female Faculty Addictions Grant Writing and Professional Development Group	Member	Medical University of South Carolina, Department of Psychiatry & Behavioral Sciences
2012-2013	Psychology Faculty Committee	Graduate Student Representative, Biological and Health Program	University of Pittsburgh, Department of Psychology
2012-2013	Applicant Weekend Planning Committee	Member	University of Pittsburgh, Department of Psychology Graduate Program
2010-2011	Psychology Graduate Student Association	Treasurer	University of North Carolina Wilmington
2009-2010	Psychology Graduate Student Association	Secretary	University of North Carolina Wilmington

GRANT REVIEW

Year	Title/Position	Institution/Organization
January 2021	Ad Hoc Reviewer	Americorps State and National Grant Review Committee
2019	Ad Hoc Reviewer	P01 CA200512 Pilot Grant Review Committee

TEACHING EXPERIENCE

Teaching Experience/Curriculum Development:

Undergraduate Education

Year	Role	Institution/Course
2014	Instructor	University of Pittsburgh Learning and Motivation (Course evaluations available)
2011	Graduate Teaching Assistant	University of Pittsburgh Introduction to Psychology
2010	Graduate Teaching Assistant	University of North Carolina Wilmington Experimental Psychology
2009, 2010, 2011	Graduate Teaching Assistant	University of North Carolina Wilmington Psychology of Learning
2008	Undergraduate Teaching Assistant	College of Charleston Conditioning and Learning

Graduate Studies Education

Year	Role	Institution/Course
2021	Guest Lecturer	Medical University of South Carolina, Drug Abuse Research Training Program Seminar The state of tobacco research
2019 – 2021 (3 semesters)	Guest Lecturer	Medical University of South Carolina, Physical Therapy Health Promotion Smoking Cessation: Importance within Physical Therapy
2018	Guest Lecturer	Medical University of South Carolina, Department of Family Medicine Academic Generalist and Hospitalist Fellowship Program, writing mentored K awards
2015	Guest Lecturer	University of Pittsburgh, Biopsychology Drugs of abuse
2012-2013 (2 semesters)	Guest Lecturer	University of Pittsburgh, Neuroscience Topics in Research Nicotine self-administration as an approach to studying smoking
2014	Guest Lecturer	University of Pittsburgh, Tobacco in the 21st Century Reinforcement of nicotine and tobacco

Mentoring Activities:

Year	Student(s) Name	Institution/Program	Role
2020	Larry Chen	Medical University of South Carolina – NIDA Drug Abuse Research Training Summer Program	Mentor
2018-2019	Eleanor Leavens	Medical University of South Carolina – Psychology Internship Program	Secondary Mentor
2016-2017	Caroline Libman, Carolina Torres, Julia de Avilez, Marisa DiGuilio, Joseph Mernyk, Gracie	University of Pittsburgh—Clinical Psychology Nicotine Lab	Mentor

Brickner

2011-2015	Nana Marfo, Matthew Schaff, Melinda Moran, Richard Jacobson, Angela Lutheran, Paul Rich, Anurag Andra, Samantha Cwalina, Alexandra Kenefake, Hangil Seo, Marisa Wallas, Hannah Pecyna, Ryan Meinzer, Jessica Pelland, Alexa Furek, Nicole Silva, Corina Andriescu, Dora Danko, Isha Vasudeva, Kayla Convry, Mackenzie Meixner, Matthew Onimus	University of Pittsburgh—Pre-clinical Psychology and Neuroscience Nicotine Lab	Mentor
-----------	---	--	--------

PUBLICATIONS

Peer Reviewed Journal Articles:

Chapters in Scholarly Books:

1. Rupperecht, L.E., **Smith, T. T.**, Schassburger, R. L., Buffalari, D. M., Sved, A. F., & Donny, E. C., (2015). *Behavioral Mechanisms Underlying Nicotine Reinforcement*. In D. Balfour & M. R. Munafo (Eds.), The Neuropharmacology of Nicotine Dependence. Springer.

LECTURES AND PRESENTATIONS

Invited Talks: (*indicates trainee status)

1. Carroll, D. M., Denlinger-Apte, R. L., Dermody, S. S., King, J. L., Mercincavage, M., Pacek, L. R., **Smith, T. T.**, Tripp, H. L., White, C. M. *Polarization within the field of tobacco and nicotine science and its potential impact on trainees*. An invited trainee workshop and mixer held by Center of Analytics, Science, Enhancement, and Logistics in Tobacco Regulatory Science (CASEL). All authors moderated the session; author order is alphabetical. October 28, 2020.
2. **Smith, T. T.** *The Promise and Peril of Vaping*. An invited presentation at Evidence Based Drug Therapy Update: A Virtual CME Conference, October 30, 2020.
3. **Smith T. T.** *Science to Inform Tobacco Product Regulation*. An invited plenary presentation at the Society for Research on Nicotine and Tobacco, New Orleans, 2020.
4. Carroll, D. M., Denlinger-Apte, R. L., Dermody, S. S., King, J. L., Mercincavage, M., Pacek, L. R., **Smith, T. T.**, Tripp, H. L., White, C. *Succeeding as women in nicotine and tobacco research*. A preconference workshop at the Society for Research on Nicotine and Tobacco, New Orleans, 2020.
5. **Smith, T. T.** *The impact of exclusive use of very low nicotine cigarettes on compensatory smoking: An inpatient hotel study*. An invited presentation at the South Carolina Tobacco Research Interest Group. April 10, 2019.
6. **Smith, T. T.** *How the proposed policy to reduce nicotine in combustible products might affect the e-cigarette market*. An invited webinar presented to the Tobacco Centers of Regulatory Science Vape Shops Working Group. June 11, 2018.
7. **Smith, T. T.** *The impact of nicotine reduction on reinforcement and dependence*. In E. C. Donny (chair) Targeting the addictiveness of combusted tobacco: Is the time right to consider regulated reductions in nicotine content? A breakout session at the National Conference on Tobacco or Health, Austin, TX, 2017.

8. **Smith, T. T.** *Animal research on nicotine reduction*. In S. J. Leischow & N. Walker (chairs) *Is Nicotine Reduction a Viable Policy Option for Tobacco Control? A Pre-Conference Workshop at the Society for Research on Nicotine and Tobacco annual meeting*, Florence, Italy, 2017.
9. **Smith, T. T.** *Factors that moderate the response to a reduction in nicotine content*. Health Psychology Research Seminar Series, University of Pittsburgh, September 25, 2015.

Oral Presentations (Invited Symposia and Paper Sessions): (*indicates trainee status)

1. Liu, J., Wright, C., Williams, P., Elizarova, O., **Dahne, J.**, Bian, J., Zhao, Y., & Tan, A. (2021). Smokers' Likelihood to Engage with Misinformation of E-cigarette Relative Harms on Twitter: Results from a Randomized Controlled Experiment. Oral presentation at 2021 Annual International Communication Association (ICA) Conference (virtual due to COVID-19).
2. Denlinger-Apte, R. L., Koopmeiners, J. S., Tidey, J. W., Luo, X., **Smith, T. T.**, Pacek, L. R., McClernon, F. J., Jensen, J., Colby, S., Severson, H., Donny, E. C., & Hatsukami, D. K. (March 2020). Correlates of support for a nicotine reduction policy among smokers enrolled in a 20-week trial of very low nicotine content cigarettes. *American Society of Preventive Oncology*, Tucson, AZ.
3. Cassidy, R. N., Tidey, J. W., Cao, Q., Colby, S. M., McClernon, F. J., **Smith, T. T.**, Dermody, S., Koopmeiners, J. S., Donny, E. C., & Hatsukami, D. K. (October 2019). Young adult smokers' behavioral response to gradual and immediate reduction of nicotine in cigarettes. Paper presentation at the Tobacco Regulatory Science Program annual meeting, Bethesda, MD.
4. Leavens, E. L. S., **Smith, T. T.**, Natale, N., Carpenter, M. J. (March 2020). Nicotine dependence and demand among pod-mod electronic cigarette users as a function of smoking status. Paper presentation at the Society for Research on Nicotine and Tobacco, New Orleans, LA.
5. **Smith, T. T.**, Donny, E. C., Koopmeiners, J. S., White, C. M., Denlinger-Apte, R. L., Pacek, L. R., Hatsukami, D. K., Benowitz, N. L., & Carpenter, M. J. (February 2019). *The impact of exclusive use of very low nicotine content cigarettes on compensatory smoking: An inpatient study*. In J. E. Cohen (chair), Policy Research Network Symposium: Advancing the Tobacco Endgame. Symposium presentation at the Society for Research on Nicotine and Tobacco, San Francisco, CA.
6. Donny, E. C., **Smith, T. T.**, Koopmeiners, J. S., Tessier, K., Denlinger-Apte, R. L., Lane, T., Tidey, J. W., Murphy, S. E., & Hatsukami, D. K. (February 2018). *Reducing nicotine content in cigarettes: A discussion of the evidence and policy implications*. Presidential Symposium at the Society for Research on Nicotine and Tobacco, Baltimore, MD.
7. **Smith, T. T.**, Cassidy, R. N., Koopmeiners, J. S., Luo, X., Rupperecht, L. E., Sved, A. F., Tidey, J. W., Hatsukami, J. W., & Donny, E. C. (March 2017). *Behavioral economic assessments of the impact of nicotine reduction on rat self-administration and human smoking*. In **T. T. Smith** (chair), Contributions of basic science to public policy. Symposium presentation at the Society for Research on Nicotine and Tobacco, Florence, Italy.
8. Pacek, L. R., McClernon, F. J., Denlinger-Apte, R. L., Mercincavage, M., Strasser, A. A., Vandrey, R., **Smith, T. T.**, Nardone, N., Hatsukami, D. K., Koopmeiners, J. S., Kozink, R. V., & Donny, E. C. (March 2017). *Perceived nicotine content of reduced nicotine content cigarettes and menthol status as correlates of perceived health risks*. In J. W. Tidey & M. Mercincavage (chairs), Attitudes and perceptions toward a reduced nicotine product standard for cigarettes. Symposium presentation at the Society for Research on Nicotine and Tobacco, Florence, Italy, 2017.
9. Nardone, N., Benowitz, N., **Smith, T.**, Koopmeiners, J., Hatsukami, D., & Donny, E. (March 2017). *Reasons for non-compliance in a cigarette nicotine reduction clinical trial*. In S. Dermody (chair), Understanding non-adherence to smoking interventions: Detection, reasons, individual differences, and consequences. Symposium presentation at the Society for Research on Nicotine and Tobacco, Florence, Italy, 2017
10. Benowitz, N., Nardone, N., **Smith, T.**, Denlinger, R., Koopmeiners, J., Hatsukami, D., & Donny, E. (March 2017). *Compensatory smoking of reduced nicotine content cigarettes in confined smokers*. In S. Dermody (chair), Understanding

non-adherence to smoking interventions: Detection, reasons, individual differences, and consequences. Symposium presentation at the Society for Research on Nicotine and Tobacco, Florence, Italy, 2017.

11. Rupperecht, L. E., **Smith, T. T.**, Benowitz, N. L., Hatsukami, D., Donny, E. C., & Sved, A. F. (July 2016). *Obesity modifies nicotine reinforcement: evidence from rats and humans*. Paper presentation at the Society for the Study of Ingestive Behavior, Porto, Portugal.
12. **Smith, T. T.**, Rupperecht, L. E., Sved, A. F., Donny, E. C. (June 2016). *Increasing nicotine cost and decreasing nicotine dose are not equivalent manipulations: A behavioral economics analysis*. Paper Presentation at the College on Problems of Drug Dependence, Palm Springs, CA.
13. Rupperecht L. E., **Smith T. T.**, Donny E. C., Sved A. F. (July 2015). *Nicotine differentially impacts body weight gain and reinforcement in obese-prone and -resistant rats*. Paper presentation at the Society for the Study of Ingestive Behavior, Denver, CO.
14. **Smith, T. T.**, Cwalina, S. N., Rupperecht, L. E., Schassburger, R. L., Buffalari, D. M., Sved, A. F., Donny, E. C. (February 2015). *Low-dose nicotine self-administration is affected by cost and inhibition of monoamine oxidase*. In E.C. Donny (chair). Emerging science related to the reduction of nicotine in cigarettes. Symposium presentation at the Society for Research on Nicotine and Tobacco, Philadelphia, PA.
15. Rupperecht, L. E., **Smith, T. T.**, Schassburger, R. L., Buffalari, D. M., Donny, E. C., Sved, A. F. (February 2015). *Low doses of self-administered nicotine suppress body weight gain independent of food intake: Implications for nicotine reduction policy*. In P. Grebenstein (chair), Current preclinical research on the relationship between nicotine, obesity, and metabolic disorders. Symposium presentation at the Society for Research on Nicotine and Tobacco, Philadelphia, PA.
16. McLean, A., Shull, R., Pitts, R., Hughes, C., **Smith, T.**, Rau, J. (August 2014). *Bouts of responses on Variable-Interval schedules*. Paper presentation at the New Zealand Association for Behaviour Analysis. Dunedin, New Zealand.
17. Rupperecht, L. E., **Smith, T. T.**, Schassburger, R. L., Buffalari, D. M., Donny, E. C., & Sved, A. F. (July 2014). *Body weight gain is suppressed by low doses of nicotine independent of food intake*. Paper presentation at the Society for the Study of Ingestive Behavior. Seattle, WA.
18. **Smith, T. T.**, Schassburger, R. L., Rupperecht, L. E., Buffalari, D. M., Sved, A. F., & Donny, E. C. (May 2014). *Effects of Tranlylcypromine, an irreversible monoamine oxidase (MAO) inhibitor, on nicotine self-administration behavior in rats*. In F. Sanabria (chair), Economics, inhibition, and self-administration: Behavioral Pharmacology of nicotine in rats. Symposium presentation at the Association for Behavior Analysis International, Chicago, IL.
19. Sved, A. F., **Smith, T. T.**, Schassburger, R. L., & Donny, E. C. (February, 2014). *The impact of non-nicotine chemical constituents of cigarette smoke on nicotine self-administration in rats*. In R. E. Desai (chair), Role of minor tobacco alkaloids in tobacco addiction. Symposium presentation at the Society for Research on Nicotine and Tobacco, Seattle, WA.
20. Schaff, M. B., **Smith, T. T.**, Buffalari, D. M., Sved, A. F., Donny, E. C. (June 2013). *Tranlylcypromine enhances the propensity to acquire self-administration of a low dose of nicotine*. In L. Howell & S. Kohut (chairs), New horizons in stimulant pharmacotherapy development. Paper presentation at the College on Problems of Drug Dependence, San Diego, CA.
21. **Taylor, T. G.**, Levin, M. E., Schassburger R. L., Buffalari D. M., Sved, A. F., Donny E. C. (March 2013). *Effects of rate of reduction and history of high dose self-administration in rats self-administering low dose nicotine*. In E. C. Donny (chair), The regulatory science of nicotine reduction: New perspectives, data and opportunities for animal research. Symposium presentation at the Society for Research on Nicotine and Tobacco, Boston, MA.
22. **Taylor, T. G.**, Shull, R. L., & Pitts, R. C. (May 2011). *Concurrent performance as bouts of behavior: A log-survivor analysis*. In R. C. Pitts (chair), All about bouts: Generality and application of log-survivor analyses of operant behavior. Symposium presentation at the Association for Behavior Analysis International, Denver, CO.

- Galuska, C. M., & Taylor, T. (May 2009). *The Disruptive Effects of Negative Incentive Shifts: Does Predictability Matter?* In T. W. Galuska (chair), Recent topics on the disruptive effects of negative incentive shifts. Symposium presentation at the Association for Behavior Analysis International, Phoenix, AZ.

Professional Poster Presentations: (*indicates trainee status)

- White, C. M., Koopmeiners, J. S., Denlinger-Apte, R. L., Pacek, L. R., Benowitz, N. L., Hatsukami, D. K., Donny, E. C., Carpenter, M. J., **Smith, T. T.** (February 2021). Early changes in smoking intensity among smokers exclusively using open-label very low nicotine content cigarettes. Annual meeting of the Society for Research on Nicotine and Tobacco, virtual due to COVID-19.
- Hawes, E., Wahlquist, A. E., Dahne, J., **Smith, T. T.**, Carpenter, M. J. (February 2021). Changes in cessation fatigue among smokers in a medication sampling trial. Annual meeting of the Society for Research on Nicotine and Tobacco, virtual due to COVID-19.
- Leavens, E. L. S., Carpenter, M. J., **Smith, T. T.**, Nollen, N. (February 2021). Exploratory evaluation of online brief education for JUUL pod-mod use and prevention. Annual meeting of the Society for Research on Nicotine and Tobacco, virtual due to COVID-19.
- Leavens, E. L. S., Carpenter, M. J., **Smith, T. T.**, Nollen, N. (April 2020). Exploratory evaluation of an online education intervention for JUUL use. Associations for Clinical and Translational Science, Washington, DC.
- Smith, T. T.**, Koopmeiners, J. S., White, C. M., Denlinger-Apte, R. L., Pacek, L. R., Benowitz, N. L., Hatsukami, D. K., Donny, E. C., Carpenter, M. J. (March 2020). *A residential study investigating the impact of very low nicotine cigarettes on withdrawal, craving, and other subjective effects.* Society for Research on Nicotine and Tobacco, New Orleans, LA.
- Pacek, L. R., Rubin, N., al'Absi, M., Denlinger-Apte, R. L., Kozink, R., Mercincavage, M., Robinson, J., Severson, H., **Smith, T. T.**, White, C. M., Donny, E. C., Hatsukami D. K., McClernon, F. J. (March 2020). *Impact of gradual versus immediate nicotine reduction in cigarettes on perceived health risks of cigarette smoking.* Society for Research on Nicotine and Tobacco, New Orleans, LA.
- Denlinger-Apte, R. L., White, C. M., Donny, E. C., Hatsukami, D. K., Benowitz, N. L., Carpenter, M. J., & **Smith, T. T.** (March 2020). *Participant experiences with exclusively smoking very low nicotine content cigarettes: Interviews from a residential study.* Symposium presentation at the Society for Research on Nicotine and Tobacco, New Orleans, LA.
- Cummings, K. M., Levy, D., **Smith, T. T.**, Heckman, B. W. (March 2020). What if past cigarette companies had only sold very low nicotine cigarettes: Behavioral and health implications. Society for Research on Nicotine and Tobacco, New Orleans, LA.
